

PES UNIVERSITY, Bangalore

(Established under Karnataka Act No. 16 of 2013)

Department of Computer Science & Engineering

Web Technologies

The QP pattern for the WT course ISA 1 will be as follows:

1. 20 marks for each Unit
2. There can either be four 5 mark questions or two 5 mark questions and one 10 mark question (5+5+5+5 or 5+5+10)
3. Majority of the questions will be on coding. You are expected to write semantically correct code, syntax errors will not be penalized.
4. Note: React Router (Last topic in Unit 3) has been moved to Unit 4 as it requires server side scripting concepts
